FULL AUDI SERVICE HISTORY. This vehicle has been exceptionally well looked after and maintained by its previous doctor owner who has owned the car for 11 years, the bodywork is in exceptional condition and in original factory finish and free of any repairs or paintwork and free of any scratches or blemishes, the interior is also in remarkable condition and free of any signs of wear and tear and all four alloy wheels are in as new condition and free of any curbing or corrosion, this car has been the doctor's second car and has been garage kept in dry storage and not left out on the drive or in the road, this is very obvious when you see the car in the flesh and also look underneath it, to give you an idea how nice this car is, it was on display at the Birmingham N.E.C motorshow, 12th 13th 14th November 2021. This car benefits from having a good specification, I won't bore you with all of it, I will just mention the important ones, Multimedia, SATNAV, Bluetooth, 19inch Alloys, front/rear...
