 East Sussex, BN26 5EU

Mini Cooper S, This completely original show piece has to be a collector/investor's dream find. The car has a huge specification including Limited Slip Diff. This is amongst the last of the highly desirable supercharged cars before they switched to turbo. A very rare opportunity to come across such a sought after example with such low mileage. As seen recently at the N.E.C Birmingham Motorshow. Please feel free to contact us for full details. Tel 01323 740074 Our website [www.autostationsussex.co.uk](http://www.autostationsussex.co.uk) We are open 7 days by appointment only, our phone line is open until 9.30pm 7 days.
